

Futures Canadian College of Business, Health and Technology formerly Futures Academy of Health was founded in 2009 in Toronto, Ontario.

Approved and accepted in 2018 by the International Student Program, Futures Canadian College is a Designated Learning Institute.

Our Mission

To inspire students from all communities globally.

To impart academic excellence through competent and professionally delivered knowledge and gain exceptional guidance and support.

Create an excellent path for our students to graduate with the academic, personal, and social development they need to adapt to today's society.
