TERRAZZO, TILE, AND MARBLE SETTERS

CERTIFICATE COURSE

Program Overview

The *Terrazzo, Tile, and Marble Setters Certification Program* is a Red Seal-aligned course designed to prepare students for a rewarding career in the skilled trades. These professionals are in demand across construction, renovation, and custom design projects, working with high-end materials to create visually stunning and structurally sound surfaces.

This modular program provides hands-on training from foundational concepts to advanced design and mechanical installation techniques. Students will gain practical experience in surface preparation, blueprint reading, complex layouts, restoration, and installation of custom mosaics and marble fixtures.

Graduates of this certification program will be well-prepared to challenge the Red Seal Exam for the Terrazzo, Tile, and Marble Setter trade, allowing them to work across provinces and significantly expand their job opportunities and earning potential in Canada's growing skilled trades sector.
